

SERVICES IN YORKSHIRE

MSUK Services:

Marie Stopes UK (MSUK) is the leading charity offering support and advice in reproductive and sexual health. Our services include access to [local early medical abortion](#), plus surgical abortion up to the legal gestation limit in our regional centres. Our expanding locations enable us to offer enhanced choice and access to patients in Yorkshire.

- Medical Abortion (Tablet) up to 9 weeks gestation
- Surgical Abortion up to 24 weeks gestation
- Vasectomy
- Contraception advice and provision
- STI Testing
- 24hr Pre and Post treatment counselling
- 24hr support, advice and treatment helpline

How to book an appointment: Referral options for all Health Professionals:

1. Self-referral - Women can refer themselves and book for treatment, as well as receive advice, support from our 24hr helpline **Marie Stopes OneCall: 0345 300 80 90**

2. Call Direct - All health professionals referring women can call us direct to book an appointment, receive treatment availability or information by calling our 24hr helpline **Marie Stopes OneCall: 0345 300 80 90**

3. Letters / Referral Forms - Completed referral letters/forms with an NHS number can be given to the individual to bring to her appointment. As a note—if preferred GPs do not need to complete the HSA1 form as MSUK can arrange this

Want to know more? We invite you to come visit your local MSI centre, we can show you around our facilities and the services we offer. Alternatively we can come to your practice to talk to you and your staff about our services in your area. Please don't hesitate to contact us to arrange an appointment.

If you require further information on how to refer a patient, or the other services we provide, please do not hesitate to contact me. My email address is below. I look forward to hearing from you.

Yours Sincerely,

Suzanne Dickinson
NHS Contracts & Business Development Manager
