1 INTRODUCTION

Vale of York Clinical Commissioning Group (the CCG) recognises that enabling its employees to achieve an effective work life balance benefits its employees and the CCG.

This policy describes annual leave provisions covered by the Agenda for Change national terms and conditions and outlines the discretionary options available to employees regarding annual leave.

Other discretionary forms of leave are available and may be granted by the appropriate manager. Guidance on these can be found in the Other Leave Policy. Separate policies are available for maternity, maternity support (paternity), adoption, carers and parental leave.

2 ENGAGEMENT

- Joint Trade Union Partnership Forum/Policy Development Group
- VOYCG staff via team meetings/team brief/internet

3 IMPACT ANALYSES

3.1 Equality

In applying this policy, the CCG will have due regard to the need to eliminate unlawful discrimination, promote equality of opportunity, and provide for good relations between people of diverse groups, in particular on the grounds of the following characteristics protected by the Equality Act (2010); age, disability, gender, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, and sexual orientation, in addition to offending background, trade union membership, or any other personal characteristic.

An equality impact assessment has been carried out and can be seen at Appendix 1. The assessment found that the policy potentially has a positive impact on people who share the following protected characteristics :

- Race
- Age
- Pregnancy and maternity
- Religion and belief

As a result of performing the analysis, the policy does not appear to have any adverse effects on people who share *Protected Characteristics* and no further actions are recommended at this stage.

3.2 Sustainability

The policy has been assessed against the CCG's Sustainability themes. Please see Appendix 2. The conclusion(s) drawn from the sustainability assessment is that

the policy has no negative impact on the sustainability themes but may have a positive impact on work-life balance under the workforce theme.

3.3 Bribery Act 2010

The CCG follows good NHS business practice as outlined in the Business Conduct Policy and has robust controls in place to prevent bribery. Due consideration has been given to the Bribery Act 2010 in the development (or review, as appropriate) of this policy document and no specific risks were identified. Advice from a Counter Fraud Specialist suggests the Bribery Act is not relevant to this policy.

4 SCOPE

This policy applies to all employees who are employed on NHS Agenda for Change Terms and Conditions. This includes employees on temporary contracts and fixed term contracts. Staff who are seconded from other employing organisations are not within the scope of this policy, nor are contractors. Agency Workers who meet the 12 week qualifying period will receive the same entitlement to annual leave as an employee and should request annual leave in the same way (in line with regulations 6 and 7 of the Agency Worker Regulations 2011).

Statutory office holders are not entitled to annual leave.

Bank staff are not entitled to take annual leave; however they will be paid a percentage in addition to the agreed basic hourly rate to account for annual leave accrued which is based on the number of hours worked. Bank staff do not accrue leave in between any periods that they are asked to work.

The CCG is committed to ensuring that all personal information is managed in accordance with current data protection legislation, professional codes of practice and records management and confidentiality guidance. More detailed information can be found in the CCGs Data Protection and Confidentiality and related policies and procedures

5 POLICY PURPOSE AND AIMS

The aim of the Annual Leave Policy is to ensure a uniform and equitable approach to the calculation of annual leave and general public holiday entitlements which take into account the arrangements as defined under NHS Agenda for Change terms and conditions. It also sets out a consistent procedure for requesting annual leave.

6 ROLES / RESPONSIBILITIES / DUTIES

Line Manager's responsibilities :

- To make accurate annual leave calculations and ensure this policy is adhered to.
- To record, monitor and authorise the annual leave of their employees and ensure that if an employee transfers to another department or leaves the organisation

they have not taken too much annual leave than they have accrued and are entitled to and that any leave accrued and owing has been taken or paid.

- To recalculate annual leave and Bank Holiday entitlements when employees either increase or decrease their contractual hours and to ensure this information is communicated to the employee concerned and a new annual leave card issued.
- To consider all leave requests fairly, taking into consideration an employee's entitlement and the CCG's needs.

Managers should encourage employees to take annual leave to which they are entitled and should endeavour to ensure that their workload does not prevent this, annual leave requests should be balanced with the needs of the service.

Employee's responsibilities :

- Ensure annual leave is taken in accordance with the processes outlined in this policy.
- To request annual leave in a timely manner giving adequate notice.
- To ensure that as far as possible, they plan to take the whole of their annual leave entitlement within the year that it is due, failure to do this could result in the loss of entitlement.
- Employees should discuss annual leave plans with their colleagues to co-ordinate holidays and cover arrangements.
- To ensure they have their annual leave provisionally approved prior to making any holiday bookings.
- Employees must be aware that leave taken in excess of their annual entitlement may be considered to be fraudulent
- Both employees and line managers have a responsibility to read and understand the policy, any breaches of this policy may be investigated and may result in the matter being treated as a disciplinary issue under the CCG's disciplinary procedure.

The workforce team will support both managers and individuals in ensuring this policy is followed and implemented equitably.

7 IMPLEMENTATION

- 7.1 This policy will be communicated to staff via team meetings/team brief and will be available for staff on the intranet.
- 7.2 Breaches of this policy may be investigated and may result in the matter being treated as a disciplinary offence under the CCG's disciplinary procedure.

8 TRAINING AND AWARENESS

- 8.1 A copy of the policy will be available on the CCG intranet. Training needs will be identified via the appraisal process and training needs analysis.

9 MONITORING AND AUDIT

- 9.1 The implementation of this policy will be audited on an annual basis by the CCG and reported to CCG Governing Body.

10 POLICY REVIEW

- 10.1 The policy and procedure will be reviewed after 3 years for the CCG Governing Body in conjunction with Trade Union representatives. Where review is necessary due to legislative change, this will happen immediately.

PART 2 PROCEDURE

1 ENTITLEMENT AND RECKONABLE SERVICE

- 1.1 The annual leave period for all employees is from 01 April to 31 March.
- 1.2 An employee's annual leave entitlement will be determined by the length of reckonable NHS service with leave entitlements increasing on the completion of five and 10 years reckonable NHS service. The annual leave provisions as specified in the NHS Agenda for Change Terms and Conditions are contained in the table below:

Length of Service	Annual Leave plus general public holidays
On appointment	27 days plus 8 days
After 5 years' service	29 days plus 8 days
After 10 years' service	33 days plus 8 days

1.3 Reckonable service

An employee's previous continuous service with any NHS employer, regardless of whether there has been a break in service will count as reckonable service in respect of annual leave.

Time spent working in a highly relevant role in organisations other than the NHS may, following consultation with a Workforce representative, be counted as aggregated service (e.g., independent Primary Care Contractors, County Council, City Council, Social Services or the Department of Health).

Agency work will not count as reckonable service.

In order to have previous service regarded as reckonable service, it will be the employee's responsibility to provide their line manager with formal documentary evidence of any relevant, reckonable service as per the guidance contained within agenda for change.

- 1.4 Annual leave entitlement for all employees will be calculated in hours, not days. The benefit of this is to ensure that employees, who work part time or variable hours or shifts, do not receive either more or less leave than colleagues who work a standard pattern.
- 1.5 Annual leave entitlement is calculated based on contractual hours except in the case of Minimum Hours Contract employees, where actual hours worked will be used for the calculation subject to a maximum of 37.5 hours per week.
- 1.6 The calculation of leave entitlement is shown in Appendix 3, which includes a calculation for general public holidays. Hours shown have been rounded to the nearest half hour.
- 1.7 For guidance on calculating annual leave please see Appendix 4.

- 1.8 For employees who work full days, annual leave should normally be taken in periods of 3.75 hours or more.
- 1.9 On joining the CCG, all employees will be entitled to annual leave plus general public holidays from the first day of their employment. This will be on a pro rata basis for the first year of joining from the first day of employment to the end of the annual leave year.
- 1.10 Where employees reach an anniversary which will increase their annual leave entitlement, the new entitlement will be calculated pro rata from the 1st day of the month following the anniversary.
- 1.11 Where employee's change their contracted hours, this will result in a re-calculation of their annual leave entitlement based on completed months on the new and the old contracted hours to give the full year entitlement. Where employees change their contracted hours part way through a month they should not lose entitlement. Therefore, in these cases the entitlement for the first month will be calculated on the basic weekly contracted hours that they predominantly worked for that initial month.

2 PUBLIC HOLIDAYS

Employees are entitled to 8 paid general public holidays per annum, which are:

- New Year's Day
- Good Friday
- Easter Monday
- May Day
- Late spring (May)
- Late summer (August)
- Christmas Day
- Boxing Day

- 2.1 In the case of part time employees, this entitlement is pro rata to the full time allowance. The calculation of this entitlement is always proportional to the number of basic contracted hours worked. This removes the potential for inequity in cases where employees work varying days.
- 2.2 The general public holiday hour's entitlement will be pro rata based on the number of general public holidays remaining in the current leave year from the date of joining.
- 2.3 On each occasion an employee takes paid time off on a general public holiday as part of their basic week, the appropriate deduction of their normal basic hours per day will be made from their overall entitlement. For part time employees, where operationally possible, and subject to mutual agreement, an employee may change their days of working during a general public holiday week and

therefore retain their leave entitlement in respect of a general public holiday. This leave could then be taken at another time.

- 2.4 There will be some years where more or less than 8 general public holidays fall in the leave year. When this situation arises, the appropriate hours adjustment will need to be made.
- 2.5 Employees required to work or be on call on a bank holiday are entitled to equivalent time off in lieu at plain time rates in addition to the appropriate payment for the duties undertaken.

3 ACCRUAL OF ANNUAL LEAVE DURING MATERNITY LEAVE ETC

- 3.1 Employees accrue annual leave during both paid and unpaid periods of maternity leave. Please refer to the CCG's Maternity, Maternity Support (Paternity), Adoption and Parental Leave Policy for further information.

4 CARRY FORWARD OF LEAVE

- 4.1 It is expected that all employees will be provided with the opportunity to take all their leave within a leave year. In exceptional circumstances, 5 days annual leave may be carried over to the following year, with the agreement of the line manager and in the following circumstances :
 - i) Where employees are prevented from taking the full allowance of annual leave before the end of the leave year because of business needs.
 - ii) Where employees are prevented from taking annual leave because of sick leave. Please refer to point 5.4 of the policy.
 - iii) On application and consideration of an individual's personal circumstances subject to the exigencies of the service.

A form is available at Appendix 5 for employees to request to carry forward leave to the following leave year. This should be submitted to the line manager by 01 March of each leave year for consideration.

- 4.2 It may be possible for an employee to request to bring forward annual leave from the following leave year into the current leave year. This is only in exceptional circumstances and must be approved by a member of the Senior Management Team of the CCG.
- 4.3 Whilst the CCG is fortunate to be able to provide flexibility for employees it is essential that line managers ensure that all employees have the opportunity to take the statutory minimum annual leave of 20 days (excluding bank holidays) during the annual leave year.

5 ANNUAL LEAVE AND SICKNESS

- 5.1 An employee falling sick during a period of annual leave or who is absent on

sick leave and has pre-booked annual leave should refer to the CCG's policy on the Management of Attendance and should ensure that they comply with the policy on the Management of Attendance.

- 5.2 Employees still accrue annual leave whilst absent due to sickness. In the event that an employee has remaining annual leave following a long term period of sickness, reasonable opportunity should be given to allow the employee to take this leave within the same annual leave year.
- 5.3 Where an employee is considered long term sick between the months of January and March and annual leave is still outstanding, with no likely return to work date during this period, employees will be given the opportunity to take their annual leave as opposed to sick leave during this period.
- 5.4 Every effort should be made by an employee to take their annual leave before the end of the leave year. If an employee is absent due to sickness and does not have the opportunity to take their annual leave entitlement within the current annual leave year they will have the opportunity to carry their statutory annual leave entitlement over to the next annual leave year. This currently stands at 20 full days for full time employees in line with the Working Time Directive 1998, and is pro rata for part time staff. This will need to be agreed by their line manager following submission of medical evidence of the sickness as per the Absence Management Policy. Any outstanding leave must be taken at the end of the sickness period and where possible any outstanding annual leave should be used as part of any phased return to work plan
- 5.5 No lieu of bank or public holidays will be given if an employee is off sick on a statutory holiday.

6 LEAVING THE CCG

- 6.1 Employees will be encouraged to take their annual leave prior to leaving the CCG however, where this is not possible any outstanding annual leave remaining will be paid, as will any outstanding general public holiday leave for general public holidays that have occurred in the leave year prior to the leave date. Annual leave entitlement will be calculated to the date of leaving based on completed months of service. Any annual leave taken (including general public holiday entitlement) which is in excess of that which the employee has accrued up to their last date of employment will be deducted from the final salary payment.
- 6.2 When calculating leave due on leaving the CCG, the figure is not rounded i.e. if the calculation says someone is entitled to 2.66 days leave that is what they will be paid for.
- 6.3 Where employee's leave on 31 March they will only be entitled to be paid for up to 5 days leave they may have carried over into the next leave year and they must have taken the statutory minimum of annual leave to ensure there is no breach of the Working Time Directive

7 TERM TIME WORKING

- 7.1 Where an agreement has been made that employee's will work during term time only, annual leave entitlement will be calculated based on the average number of hours worked per week across the whole year. The calculation is the number of hours worked multiplied by the number of weeks worked then divided by 52.143 (the number of weeks in a year). This gives the average hours worked per week. The annual leave entitlement is then calculated by taking the average hours per week, divided by the full time equivalent for a week and then multiplying by the number of days entitlement. Please note that the number of weeks per year used in the examples shown in Appendix 4 may change depending upon the length of the term time.

8 REQUESTING ANNUAL LEAVE

- 8.1 Employees should submit all requests for annual leave to their line manager, in writing, giving as much notice as possible. A combined record should be kept of all requests and leave taken. Line managers will be expected to keep annual leave records for employees and to ensure that these are accurate and complete.
- 8.2 Employees wishing to take more than two weeks leave in any one block must put their request in writing to their manager at least three months in advance.
- 8.3 The manager must consider all applications taking into account the needs of the service and will respond to the employee indicating whether the leave has been "approved" or "denied". In the event of the leave being denied the reasons for refusal will be clearly explained.

An employee taking leave that has not been previously approved will be classed as being on unauthorised absence and therefore may be subject to disciplinary action.

- 8.4 Employees should not commit themselves to any holiday plans until they have received confirmation that their request for annual leave has been provisionally approved.
- 8.5 Line managers should encourage employees to plan and book their leave as early as possible and be proactive in booking regular leave to avoid loss, unnecessary carry forward and to ensure regular rest breaks for health and wellbeing.
- 8.6 Where employees have less than a half day entitlement to annual leave they shall be permitted to supplement the annual leave by the use of flexi-time where this is available, so that the outstanding annual leave can be taken.
- 8.7 The manager should record the request and update the employee's annual leave record, in line with local/departamental arrangements.
- 8.8 In the event of a dispute between the manager and the employee regarding the outcome of a request for annual leave an attempt should be made to try and resolve the matter informally in the first instance. HR support may be sought

should managers require advice or guidance. In the event that the matter cannot be resolved informally, the CCG's Grievance policy should be referred to.

13 Appendix 4 : Annual Leave Calculation Examples

Annual leave can be calculated using the following five steps :

- 1 Ascertain the number of years reckonable service the individual has (see part 2, point 1.3)
- 2 Ascertain the number of annual leave days the individual is entitled to for full-time in a full year (see part 3, point 1.2)
- 3 Ascertain the number of hours this equates to, based on the individual's contracted hours per week (see appendix 1)
- 4 Ascertain the bank holiday entitlement of the individual from appendix 1 (calculated pro rata for part-time workers)
- 5 Add the annual leave and bank holiday entitlement together

If the individual has not worked a full annual leave year, in addition:

1. Calculate the reduced entitlement for both annual leave and Bank Holidays

Example A :

Employee A works 21 hours per week, commenced work with the CCG on the 1 April and has 1 year reckonable service. Using the 5 steps above:

- 1 1 year's service
- 2 27 days annual leave
- 3 This equates to 113.5 hours annual leave based on 21 hours per week
- 4 Plus 33.5 hours Bank Holiday
- 5 = 147 hours leave per year (as the employee is working the full calendar year)

Example B :

Employee B works 30 hours per week, commenced work with the CCG on the 6 November and has 15 years reckonable service. Using the 5 steps above:

- 1 15 year's service
- 2 33 days Annual leave
- 3 This equates to 198 hours annual leave based on 30 hours per week
- 4 Plus 48.0 hours Bank Holiday (6.1 hours per bank holiday)
- 5 = 246 hours leave per year (based on the full calendar year)

1. There are 145 days between 6 November and the end of March (the end of the holiday year) therefore employee B is entitled to $\frac{198}{365} \times 145 = 98$ hours annual leave in their first year

There are 3 remaining Bank Holidays in that year (Christmas and New Year) therefore they are also entitled to 18.3 hours Bank Holiday (6.1 hours x 3).

Term time only working examples

Example 1

Agreement is made for X to work 37.5 hours per week for 39 weeks per year. X is a new starter entitled to 27 days annual leave.

Average number of hours worked per week will be $\frac{37.5 \times 39}{52.143} = 28.05$ per week

Entitlement will be $28.05/5 \times 27 = 151.5$ hours

General public holiday entitlement will be $28.05/5 \times 8 = 45$ hours

Example 2

Agreement is made for Y to work 20 hours per week for 39 weeks per year. Y has 6 years' service and is entitled to 29 days annual leave

Average number of hours worked per week will be $\frac{20 \times 39}{52.143} = 14.96$ per week

Entitlement will be $14.96/5 \times 29 = 87$ hours

General public holiday entitlement will be $14.96/5 \times 8 = 24$ hours
