Meeting of the Quality and Finance Committee Part II - Primary Care Co-Commissioning 17 September 2015	 Vale of York Clinical Commissioning Group
Boundary Changes – Dalton Terrace and Escrick Surgeries	
Purpose of Report For Decision	
1. Rationale To consider the requests from Escrick and Dalton Terrace Surgeries to change their patient Practice boundaries.	
2. Strategic Initiative <input type="checkbox"/> Integration of care <input type="checkbox"/> Person centred care <input checked="" type="checkbox"/> Primary care reform <input type="checkbox"/> Urgent care reform <input type="checkbox"/> Effective and Efficient Organisation <input type="checkbox"/> Planned care <input type="checkbox"/> Transforming MH and LD services <input type="checkbox"/> Children and maternity <input type="checkbox"/> Cancer, palliative care and end of life care <input type="checkbox"/> System resilience	
3. Local Authority Area <input checked="" type="checkbox"/> CCG Footprint <input type="checkbox"/> City of York Council <input type="checkbox"/> East Riding of Yorkshire Council <input type="checkbox"/> North Yorkshire County Council	
4. Actions / Recommendations The Committee is asked to approve each application and note any concerns.	
5. Engagement with groups or committees The proposals have been shared with NHS Vale of York CCG Practices, the Local Medical Committee(LMC), and Healthwatch. No objections have been received. Practices are required to consult with their registered population regarding any proposed changes to service.	
6. Impact on Primary Care No significant impact. Many Practice boundaries overlap, so list sizes are likely to remain fairly static.	
7. Significant issues for consideration The only major implication is where patients may be disadvantaged by, for example, no longer being eligible for home visits if they fall outside their registered Practice's boundary. Practices are required to consult with their registered population regarding any proposed changes to service.	
8. Implementation Confirm decision to each Practice.	
9. Monitoring No requirements.	
10. Responsible Chief Officer and Title Rachel Potts, Chief Operating Officer NHS Vale of York CCG	11. Report Author and Title David Iley, NHS England
