

Community Parkinson's Nurse Specialist

Gill is a Community Parkinson's Nurse Specialist, offering expert advice to patients diagnosed with Parkinson's disease so that they can continue to live their life.

An appointment could help you to:

-  Come to terms with your Parkinson's diagnosis
-  Feel more educated on Parkinson's disease
-  Manage your medication so you get the best results
-  Refer you to other professionals

"Gill has helped our patients with coming to terms with their diagnosis and supports patients' individual needs."

– Dr Paula Evans
