

What to expect when you arrive

BY CAR

All access to the York Vaccination Centre is via the new [Askham Bar Park and Ride, York](#). Please follow the Vaccination Centre sign posting.

Please arrive at your appointment time. Please DO NOT arrive early or you will be asked to return.

You will be directed by stewards to the Vaccination Centre.

Check in

You will then be asked a series of questions and directed to the right area.

Please bring your booking confirmation details

We will take your temperature and ask you a series of questions, such as:

- Have you had any vaccination within the last seven days?
- Your name and NHS number

You will be given clear directions and asked to follow a 'red' or 'blue' route, depending on which vaccination area you have been allocated.

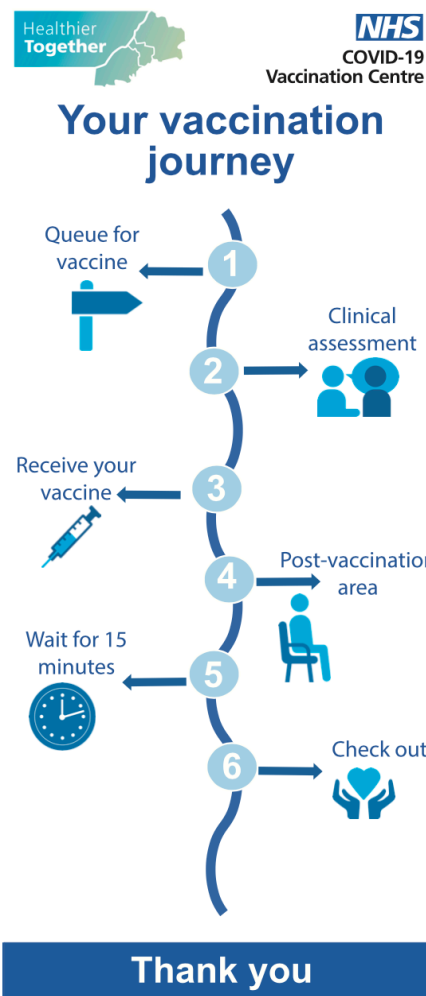

Vaccination site car park

You will be directed to the allocated car parking area. Please forward the car parking steward directions to park.

Follow the blue or red route directions given to you.

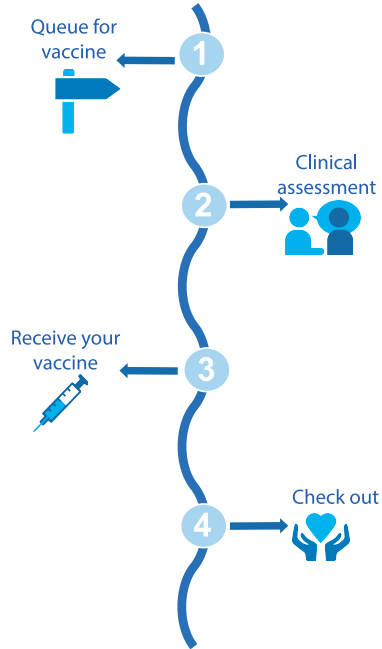

What happens next?

Once you have arrived at your area, you will be given clear information of where to go.
