

We work with young people across North Yorkshire aged 10-19 and up to 24 with SEND who need specialist support around drug and alcohol use.

We offer :-

- **Structured support to stop or reduce drug or alcohol use**
- **Support to improve health and well-being (including sexual health support and smoking cessation)**
- **Education and advice around drugs and alcohol**
- **Support family members of young people working with NY Rise and offer onward referrals when needed**
- **We can also provide guidance to schools, colleges and other professionals around referral processes and eligibility**

This service is provided on behalf of North Yorkshire County Council by

humankind[®]

We are excited to let you know that after consultation with young people across North Yorkshire, the Young People's Drug and Alcohol Service delivered by Humankind has been rebranded to **NY Rise**.

We are an outreach based service, we see young people in their own communities at a place which is comfortable for them.

To make a referral or to discuss how we can work together please contact us via the contact details below:-
