Across North Yorkshire and York we would like to raise awareness of what good PBS looks like with all providers of care, and carers, to support you to enable our people with a learning disability and/or autism to live the best life possible

Practice leadership
to ensure high quality, person-centred support that improves quality of life, by helping staff provide the right kind of support.

The focus is on continually improving practice and support in order to improve quality of life

Working with the team to develop clear expectations and facilitating reflective discussions
