

Safeguarding Adults Level 3 Initial training

For Primary Care 2024-2025:

Target Audience

Two x 2.5 hour virtual sessions via Microsoft Teams for all level 3 practice staff (GP's, Practice Nurses, Advanced Nurse Practitioners, Paramedics) requiring **Initial level 3 Safeguarding Adults** training as per the Adult Safeguarding: Roles and Competencies for Health Care Staff and RCGP supplementary guide: [Safeguarding-training-requirements-for-Primary-Care-FINAL.pdf \(rcgp.org.uk\)](https://www.rcgp.org.uk/requirements-for-Primary-Care-FINAL.pdf)

Initial training refers to the **first time** that a professional is in a role that requires Level 3 Adults safeguarding training. The timeframe for this initial training should not exceed a 12-month period from commencing in post. This training is 5 hours of participatory learning. Guidance states that 8 hours of level 3 training is required for competence. The additional required hours on Adult Safeguarding can be boosted by accessing further Level 3 safeguarding training such as our 'Hot topics' sessions; our safeguarding week presentations, e-learning and completing further reading around the safeguarding subjects that we will direct you to during the sessions.

Topics Covered:

- Statutory requirements of the Care Act 2014 in relation to Adult Safeguarding
- Definitions and types and indicators of abuse
- Roles & responsibilities of the Safeguarding Adult Board
- Mental Capacity Act/Advocacy and Making Safeguarding Personal
- Role of health staff in the safeguarding adult process

Dates of the Training:

Both part 1 and part 2 in each option will need to be attended to complete the course and receive a certificate.

To book your place on one of the course options below please follow the links for your preferred dates **making sure you are booking part 1 & part 2 (please note the MST links for part 1 and 2 are different)**

Option A – July 2024
