### Target Audience

Two x 2 ½ hr virtual sessions via **Microsoft Teams** for all level 3 practice staff (GP's, Practice Nurses, Advanced Nurse Practitioners, Paramedics) requiring **initial** level 3 safeguarding children training as per Safeguarding Children and Young People: Roles and Competencies for Healthcare Staff 2019: [Safeguarding Children and Young People: Roles and Competencies for Healthcare Staff | Royal College of Nursing \(rcn.org.uk\)](#)

Initial training refers to the first time that a professional is in a role that requires Level 3 child safeguarding training. **This training is 5 hours of participatory learning.** Please note that guidance states that 16 hours of level 3 training is required for competence in total; 50% of which is required to be participatory and the timeframe for this initial training should not exceed a 12-month period from commencing in post.

The additional required hours can be gained by accessing further Level 3 safeguarding training such as Group case discussions, our 'hot topics' training, reflection on the learning from a case the professional has been involved in and how this learning has been applied to their practice as well as attending safeguarding webinars. **It is the individual's responsibility to complete the required hours.**
