# 2024 North Yorkshire and York Care Provider Olympics

The 2024 Care Provider Olympics has been incredible.  
Over 50 providers and more than 400 residents, staff and relatives took part in  
this year's Olympics.

**Who will be our 2024 winners?**

Here's a recap of what our providers did in their events this year...

# Younger Adults & LD Category

A lovely resident called Maureen from Filey Fields Care Home has written a letter to the wonderful staff at Filey Fields and I would like to share it with you.

## OLYMPICS 2024 FILEY FIELDS COURT VERSION

On Aug 1<sup>st</sup> The Olympic Torch arrived and was passed from competitor to competitor. After the reading of the OATH and the Motto: FASTER, HIGHER, STRONGER the Games began. 7 Teams with 12 members took part. However, sometimes, due to unforeseen circumstances, some teams were short but others doubled up. TEAM SPIRIT!!

As all the Games were to be seeded, residents of all abilities could take part.

Over the next 3 Thursday we covered 10 events. We threw paper plates into hoops (DISC), Threw large weighted shuttlecocks into hoops (SHOT PUT). Shot paper cups with toy guns, and many other innovative activities involving balloons, table tennis balls etc. The friendly rivalry, enthusiasm and personal achievements grew over the weeks.

On Finale Day the successful teams were presented with Cups and Medals (Photocopies only) and flowers for the Gold Winners. Although not the 'real thing' they were much appreciated.

I thoroughly enjoyed the whole experience and I am sure we all learned something about ourselves, our abilities and

working as a TEAM.  
Many thanks to hynne for her  
enthusiasm, imagination and boundless  
energy in the organising of the event,  
to staff who took part and to all the  
Competitors.  
WE'VE DONE !!
